## BLUE HOLE SNORKELLING

Voted Top 10 House Reefs in the Maldives by Travel+Leisure, Amilla has its very own blue hole. A tropical reef wonder, you can snorkel above the entrance of this mysterious hole and explore the numerous coral blocks inhabited by an abundance of schooling fish.

## SNORKELLING SAFARI

Embark on an exciting adventure to explore a duo of the most spectacular reefs in Baa Atoll. Discover the habitat of curious turtles and try your luck at spotting a reef shark taking a nap. With experienced guides at your side, be sure to look for the most amazing flora and fauna and try to discover the home of Napoleon wrasse, moral eels and more.

## REEF HOPPING

An experience offering snorkelling at its best for underwater enthusiasts. Join our experienced team of guides as they handpick a duo of reefs – you'll be amazed at the incredible marine life that Maldives is famous for. This excursion goes to two separate snorkel sites, giving you an insight as to why Baa Atoll has achieved its UNESCO Biosphere Reserve status.

## OCEAN DISCOVERY

Combines two wonderful wildlife encounters: turtles and dolphins. On this special adventure, you'll have a chance to snorkel with curious turtles and try your luck at spotting a pod of dolphins out at sea with our specialized guide on hand to elevate your experience – perfect for wildlife lovers.

## NIGHT SNORKELLING

When darkness falls, the reefs take on a whole new dimension, with a medley of unusual species of flora and fauna emerging. Small groups are led by our experienced guide who will escort you on a fascinating snorkeling journey on our house reef. Snorkel vests and torches are provided and must be used by all participants for safety, comfort and enjoyment.

## DOLPHIN DISCOVERY

Cruise in traditional Maldivian style on board one of our authentic dhonis (boats). Seek out pods of beautiful bottlenose dolphins or playful spinners and keep your cameras poised for a snap of these breathtaking creatures in action.

## TRADITIONAL SUNRISE FISHING

Race against dawn and capture the spoils of the reef as the sun rises on the horizon. Mornings are typically the most active time of day on the reef as fish school together to hunt. Try your luck and bring home the freshest 'Jack Fish' or perhaps an 'Emperor Fish'. It's the perfect tonic for the "Monday Blues" – or any blues for that matter.

## TRADITIONAL SUNSET FISHING

This is the perfect way to end the day as the sun sets in a spectacular display over the horizon. As the fish come out to play, try your luck at catching a 'Grouper' or a 'Red Snapper' using traditional handline Maldivian fishing methods.

## INTRODUCTION TO SNORKELING

For beginner snorkelers of all ages, our swimming pool is the starting point of your next big adventure. Our trained guide will teach you all you need to know to become a confident snorkeller and get you ready for your next snorkelling excursion.
